What happens Next?

We will look at the information that you have provided and arrange for you to view a property if we think we will be able to help you find a rental. If we do not think that, we can help you find a rental we will let you know.

If you would like to rent a property after viewing it, we will ask you some questions about start dates, and emergency contacts and arrange how you would like to pay the rent.

We then draw up a residential tenancy agreement, you pay the bond and two (2) weeks rent in advance, and then you can move in!
